

Dear Spice Monkey customers:

Thank you for joining us for the Dining Out For Life fundraiser on April 30th. This yearly event raises money to help provide services to people with HIV/AIDS and other critical illnesses. Spice Monkey was proud to contribute 50% of our day's proceeds from the event to Vital Life Services, and with your support, we raised \$1,300!

We were overwhelmed by the very large number of customers who joined us for dinner that night. It pushed our very new restaurant beyond our ability to serve you properly. We thank you for your patience and apologize for the inconvenience we may have caused to you and your family & friends while dining with us.

The Spice Monkey is in its first year of operations – a new business that is learning something new and growing every day. I hope you will continue to grow with us!

Next year, when we again support Dining Out for Life, we will simplify our menu and make the type of changes that will help all of us enjoy a beautiful evening and a great meal that supports our community.

Sincerely,

Kanitha Matoury, Owner
Spice Monkey Restaurant
